DOCUMENTS WE MAY PROVIDE YOU

You will receive various documents as part of our financial planning process for each stage of your advice journey. We will provide these documents electronically to a nominated email address, you may also request documents be provided to you in hardcopy.

SOAs and RoAs

When we provide personal advice, ordinarily this will be recorded and provided in a Statement of Advice (SOA), known as a financial plan. The SOA contains a summary of your goals and the strategies and the financial products we may recommend achieving your goals. It also provides you with detailed information about product costs, associated fees and other benefits we and others will receive because of the advice we have provided.

If we provide you with further personal advice, it will be recorded in a Record of Advice (RoA). RoAs will be kept on record for seven years and you may request a copy of such records by contacting our office during that period.

If we recommend or arrange a financial product for you, we will provide you with a Product Disclosure Statement (PDS) or Investor Directed Portfolio Service (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks as well as the costs you will pay the product provider to professionally manage that product. You should read any warnings contained in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.
